Spirit of 1776?

As the Class of 1976, we are the "bicentennial class." As we are becoming independent, so were the people of this nation 200 years ago.

But is this the spirit of '76 that we feel?

seniors

Dear Seniors:

Our high school days have just about ended. It would take months to record all of the wonderful and good times we have had together. This time we have spent together should be an experience for each and everyone of us to remember.

Now is the time that we must use our knowledge and our experience to reach new goals. We must use what we have not only to help ourselves but to help others.

I would like to thank everyone for letting me serve you this year. It was an honor and a pleasure. Peace.

May God Bless,

Class of '78

With nearly 700 students, the class of "78" is the largest class S.H.S. has ever known. This great size is just an outer display of the all-around strength of character which this possesses. Decorating for the Homecoming Dance and winning the March of Dimes Spirit Chain contest are examples of this strength in action. Advisors Mrs. Carlson and Mr. DellaCamera help to channel this unceasing flow of energy into many productive activities. Tennis and swimming parties, a magazine drive, car wash, and a dance set near Valentine's Day are among the numerous events the sophomores planned. All indications point toward the fact that the class of "78" has the potential to reach the top.

soccer

The 1975 Soccer Season was a very successful one. It began with the most candidates ever at the early fall session. We counted on the enthusiasm and balance of this year's group to counteract the departure of twenty seniors. Various unexpected events, however, such as a hepatitis scare, got us off to a slow start. We finished strong though, with a 2-2-1 record over the last five games. Highlights were the near defeat of undefeated Platt and the solid 2-0 victory over tournament-bound Plainville in our last game of the season.

Every day, Monday through Saturday, rain or shine, you would find our S.H.S. Cross Country team practicing under the close supervision of Coach Ed Coutu. The 1975 Cross Country team had an encouraging start, winning their first four meets. They then lost to Glastonbury, the latters first win of the season.

Throughout the season the Knight Harriers have shown determination and boundless energy by their final record of 8-4.

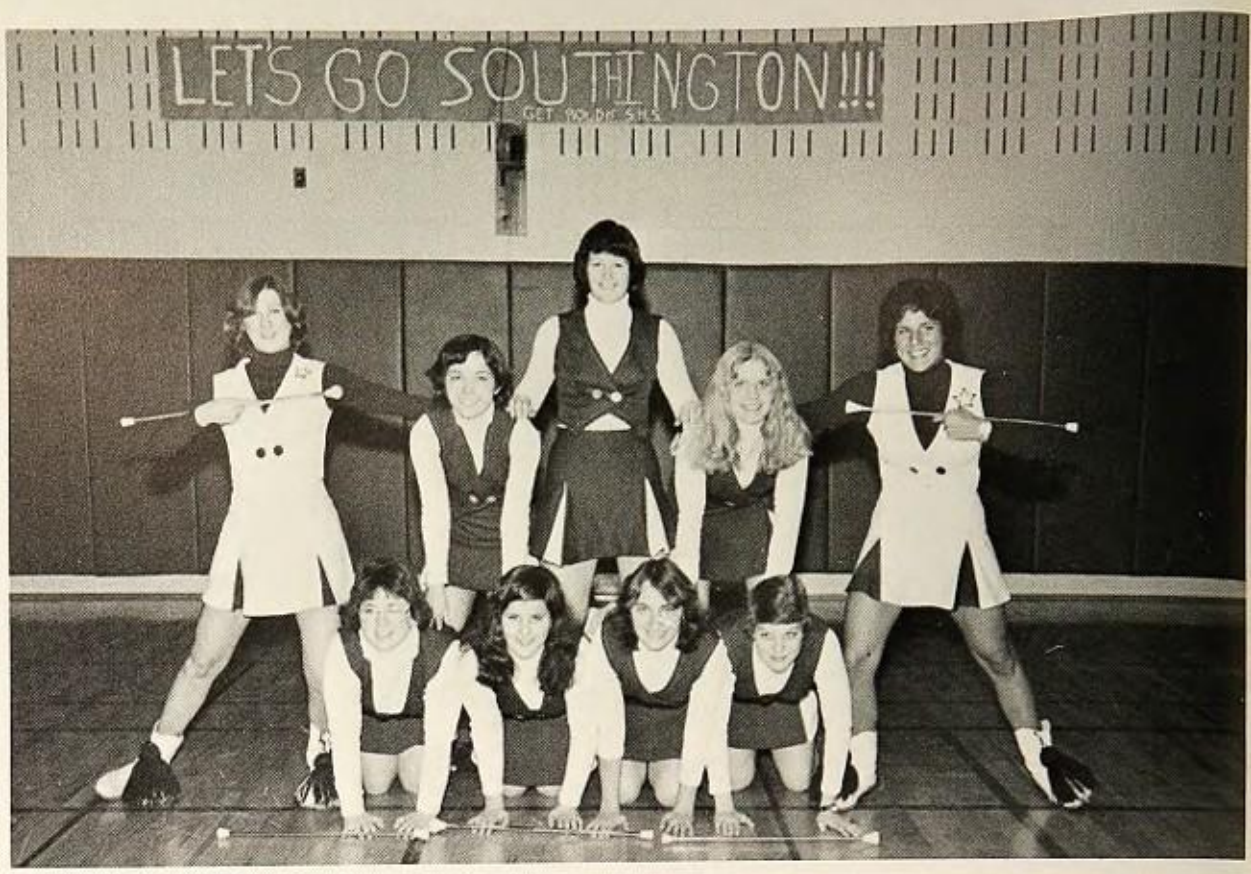
majorettes

Throughout the years the majorettes have added variety to the half time shows, and this year was no different. However, due to the weather conditions, the majorettes were only able to participate in two games. One of these was the traditional Homecoming Game in which, for the first time ever at Southington High, co-captains Lisa Barone and Roslyn Boy twirled fire batons.



Bottom Row: Leslie Morris; Robbin Dawley; Lynn Nieckarz; Debbie D'Angelo. **Standing:** Rosalyn Boy (co-captain); Lynda Lincavicks; Cathy Dowler; Marjorie Satonik; Lisa Barone (co-captain).

volleyball

The girls' volleyball team completed its second year of competition with a record of 7 wins and 11 losses. Lead by senior captain Nancy Clynes, the team battled tough opponents in many closely fought matches. Five of the girls' nine opponents competed in the state tournament and except for Maloney, the girls come close to beating every team. The team tied for fourth place in the colonial conference with a record of 5 wins and 7 losses.

field hockey

Though there was a question whether or not there would be a Girls' Field Hockey Team this year, the girls came out every day and put their best effort into it. Since there were many new and unexperienced players recruited, the team had a very rough start.

The final record of the season was 2-6-4. The team would like to thank Coach Christine Niles and everyone else who made this season possible.

All the graduating seniors would like to wish the best to the 1976-1977 Girls' Field Hockey Team.

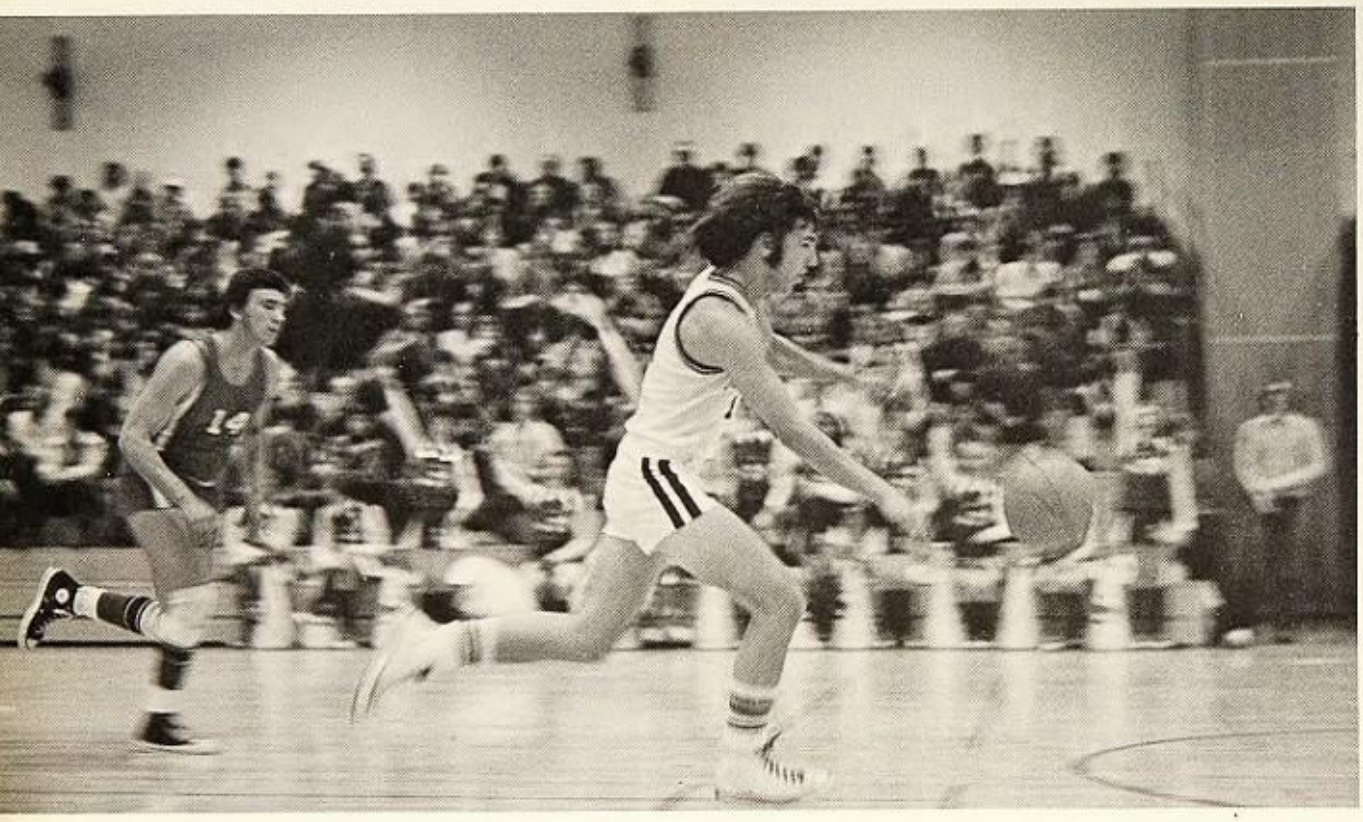
basketball

How would you feel if you had to follow up on a championship season and a ranking of 5th in the state? This is what the '75-'76 Blue Knight hoopsters had to contend with. This year's team was built around seven seniors led by co-captain Dan O'Connell on whom's shoulders rested their hopes. Their other captain, Len Giammatteo, who was known for the section 69 crowd with his game winning shots, was expected to add his experience and leadership to the team's cause. The other seniors added balance and scoring for the Knights.

The Knights will always remember it as a year of accomplishments, close rivalries, and hard work.



"Good God! Right through the ceiling! I told him to let go of the ball!"

"Don't try and deny it! I know you two have been bribing the ref!"

The 1976 Blue Knights Gymnastic Team has been holding its own against some pretty tough competition. swimming

The 1975-76 Blue Knight Swim Team is still a young team made up primarily of sophomores and juniors. The co-ed team had a year of experience behind them and a lot of talent coming up through the ranks. The Knight's practice schedule at the local "Y" was vastly improved from last year. The better practice schedule has resulted in improved racing time and confidence in the team. Southington was swimming against strong competition this year but with determination and luck should continue to improve.

THE REPLUBLICAN PARTY IN SOUTHINGTON

Southington's Republican Party is comprised of approximately 3,600 residents, registered as Republicans, including the dedicated Republicans who hold elective and appointive offices, and the 50 persons chosen by Republican voters to serve on the Town Committee.

Southington's Republican Party has seved as a responsible and responsive common-sense voice and force in Town government — providing contructive criticism when it finds itself in the minority on Town boards and agencies, and active leadership always.

Southington's Republican Party has initiated and supported policies of controlled growth our Town — to meet the increasing needs of our growing population while recognizing that excessive and expensive government at any level is harmful to citizens' well-being.

Southington's Republican Party is proud that it remains close to the people: every Republican voter has a direct voice at caucus in choosing candidates, electing members of the Town Committee, and determining Republican Policy. Southington's Republican Party is proud, too, of having initiated the Council-Manager form of government which has brought our Town the benefits of progressive, efficient, economical, objective government.

FAREWELL NOW, MY FRIEND

I love you, my friend
You're quite dear to me,
A true friend you are
And always will be.
But you're leaving me soon
And going your own way,
Perhaps we will meet
In the future some day.
You've left me with memories
Of good times we've had,
To treasure forever
And make me feel glad.
I wish you good luck
In all that you do
May all of life's pleasures
Come your way, too.
Farewell now, my friend
And please may you find
Some thoughts of me
Always in your mind.
